Jim & Holly,

I hope this information fits the need.

I'm sure you know one of your errant wolves has crossed the Snake R. and has been spending time in the upper John Day R. drainage. I didn't think it would be long before that happened.

Today's newspaper says Mark H. will be flying a wolf patrol over much of N.E. OR. It seems to me that a lot of this area is more typical wolf habitat than Big O.

It's going to be interesting to see how the politics play out. I got an e-mail congratulating me as an OR resident, getting our first wolf habitation in 100 yrs.

Hope to see you soon,

Ray
