

Wilderness Research Center Technical Board
March 28, 1975

Present: Ehrenreich, Ables, Moslemi, Dalke, Fazio, Peek, Sowles

First Order of Business:

Discussion of items the Technical Board needs to work on:

1. Guideline for research and public relations
2. Obtain information from wilderness area for use
3. Brochure and Newsletter - It was decided to delay the Board's meeting with Diane Pettit until the members of the Board have a chance to review existing proposals and reports on the Wilderness Research Center.
4. Paul Dalke will review the above material and present his findings at the next meeting.

Second Order of Business:

The operation of the Taylor Ranch was discussed. Peek and Sowles will prepare an outline for the operation and regulation of the ranch.

Next meeting - 8:30 a.m., April 2 in Room 200.

Respectfully submitted,

K. M. Sowles
