

To Dean Ehrenreich

From J. Fazio

Subject Wilderness Research Center

Date Dec. 12, 1975

At 9:30 a.m. today I recieved a phone call from Dave Johnson. The following took place:

Ques.: Who is on the advisory board?

Reply: I named myself, John Schomaker Paul Dalke, Ken Sowles and yourself (I later phoned to add Jerran Flinders who I had forgotten about).

Ques.: When did the board meet last?

Reply: Sometime in September

Ques.: Are you going to appoint a new director?

Reply: Don't think I should comment. Check with the dean.

Ques.: Are you(the board or center) doing anything?

Reply: Again, I think you should contact the dean.

He thanked me and that was the end of the conversation.

Ken Sowles was informed of this at 9:45 and suggested I relay this information to you via memo.
