FROM: Hornocker  
SUBJECT: 1. Wilderness Research Center Director  
2. Robert Ballou visit

We have approximately 50 applications for the Directorship of the Wilderness Research Center. I have sorted off what appears to be the top ten names. I should appreciate your looking at these applicant's credentials, and all the others if you wish.

You may see these in my office at any time, or I will send them to you.

It would be good to invite the top two or three people to the campus later this spring, perhaps in April. Therefore we need to screen the applications as soon as possible. I should like the committee to meet at 10 A.M. March 3, in the Conference Room, Forestry Building.

Mr. Robert Ballou, one of the applicants, will be here March 5 and 6. He would like to meet as many of you as possible. I shall contact you and arrange the meetings at your convenience.
