To Ken Sowles

From J. Fazio

Subject Backcountry flight

Date June 18, 1976

I will need air transportation for myself and Dawn to and from Moose Creek Ranger Station on the following dates. This will be to help out on the field interviewing in my wilderness communication study (PNRC). Payment can be made from fund #688-K190. Would you be interested in making the shuffle? If not, could you contact Evergreen air and see if they'd do it?

Dates: Friday afternoon or evening, July 23 (Moscow to Moose Creek)  
(or, as a poor alternative, very early Saturday a.m., July 24)

Wednesday evening (late as possible), July 28 (Moose Creek to Moscow) (or Thursday, early a.m.).

Thanks for your help.
