

Dear Holly and Jim

I will miss Lafe so much, Am grateful we had 63 years together and I do appreciate your kind expressions

Jim that would be a high honor if you do that for Lafe, So nice of you to think about us, I would love to be there for the event so keep me posted, Are you on the Inter-net?

I still have the article of your harrowing experiences at the fires. What a terrible excitement & experience for both of you. Lafe often talked & tried to visualize what all must have happened.

It was wonderful hearing from you and thanks for your comments

Thanks again
Emma
