Dear Dr Geo.

I first want to thank you for your letter and I appreciate the invitation to visit the Taylor ranch next summer.

The summer was filled by unexpected demands and so getting to the Taylor ranch was deferred.

I'm sorry that you didn't get to see my daughter Jean in Cascade.

You are most welcome to visit us this winter, in fact we would be delighted. I must tell you that we will be gone from Jan. 15 to Mar 3. Trying to get a change of venue for short time - anytime before or after this would be great. If you should fly down let us know ahead and we could pick you up and take you wherever you wished.

Again, thanks for your letter and permission to visit at the Taylor ranch

Respectfully

C. C. Johnson
