Dear Joel:

Congratulations, your proposal "CROTALUS VIRIDIS  
Subspecies in the Idaho Primitive Area" has been  
reviewed and selected to receive one of the under-  
graduate honorariums for this summer at the Taylor  
Ranch Field Station.

There will be a meeting of the successful students  
and their advisors on April 27. Contact Mrs. Kaufman  
in my office (202D) as soon as possible so she can  
set a time for the meeting.

Sincerely,

Kenneth M. Sowles
